Hi Wendy,

I've compared the February 27th version with the version I sent out on Monday. The changes reflect the agreement we reached with PSI regarding past costs and also edits from DOJ's review.

Let me know if you'd like to discuss any of them.

Thank you.

Best,
Rebekah

I can compare the versions in word. Could you forward me the last version you reviewed and then I'll do a compare and circulate to you and Morgan?

Thank you, Rebekah. I will inquire and get back to you. Is there a redline available so that we can see the changes between the final and the last version that was circulated to Northrop Grumman and AMD? I believe the last draft I have from you was dated February 27, 2019.

Dear Todd, Morgan, and Wendy,

Attached please find the final ASAOC, with appendices, for signature.

Could you give me an update on when you think you will be able to get the signature pages back to me?

Once I have the signature pages back from all of you I will be able to send to DOJ for approval and have it signed on our end. I will then submit paperwork to publish that in the federal register with a 30-day public notice/comment period. I hope to have a final and effective agreement by the end of September.

Thank you for all your efforts in negotiating this document.

Best,
Rebekah
